COUNTY COMMISSIONERS

A Nuisance to be Abolished—What it Will Cost to Entertain U. S. Court Officials

T. L. Cooper and others, of the Flemington precinct, complained of Road Overseer H. A. Lee. The matter was referred to W. E. Allen.

The notary bond of W. A. Redding was offered with George MacKay and J. J. Gerig as sureties.

In the absence of Chairman Allen, of the canvassing board, Mr. Long was made temporary chairman and dispatched business with a practiced hand.

Considerable discussion was had over the urinals in the court house. They were originally intended for county officials and people having business at court, but now they are almost public and in consequence persons throw quids of tobacco in the urinals, which stops up the drain pipes and quite frequently the tax collector's office is deluged with moisture which is not exquisite in its perfume. The matter was placed in charge of Sheriff Nugent to repair and regulate.

Messrs. McLeod and Sheriff Nugent made their report on the needs of the jail; to paint all iron work in and around jail, re-cement kitchen floor and put in a new door, also supply new blinds where needed around residence portion of building, also to paint wood work to same and balluster to cells.

The sheriff and Mr. McLeod were authorized to have work done on best terms attainable.

Sheriff presented bill for board for bailiffs, which law does not provide for, so board declined to act on it.

Allen Rogers was ordered to keep a memorandum of the time of sentence of each prisoner under him and to discharge same when same was served and with proper credits for good behavior and prompt execution of all orders.

The board declined to allow him to purchase a dozen jumpers for prisoners. They or their friends must supply them such garments.

Mr. Fox, of Candler, was refused bill charging rent of hall in which election was held; also a similar bill at Stanton.

The condition of the Eaton bridge in the Grahamville precinct was referred to Mr. Morgan.

Mr. Long thought his district should have an additional road overseer.

Mr. D. S. Williams made his report about rooms for United States court that will convene in Ocala January 20, 1901. The Ocala House gave use of two rooms to judge for \$2 a day. Rooms per month were offered for \$6. Four will be needed.

There were audited justice costs, 51 cases, amounting to \$662.07; rye seed for the poor farm, \$4.50; J. McCully, road work, \$106.29; M. Fishel, blankets for jail, \$25; G. B. Chappell, of Kendrick, groceries for poor farm, \$9.20; publishing the names stricken from registration list, restored and list of registered voters, with election inspectors, tickets for the election, etc., amounted to \$215.50, divided between the Star and Banner, except \$25 for tickets, which the Star printed on a bid. Sheriff Nugent's bill for full term of court was \$327.85 and his bill in Myers case, \$222.55. Witnesses in the Nic Myers case, \$582.50. The county paid in interest during October, \$34.95.

Jno. H. Wiley, of Moss Bluff section, was granted permission to carry a rifle.

John E. Bailey's bond as notary was approved.

John Gavin was commissioned the new justice of Eureka.

W. K. Zewadski presented a bill of \$100 for services in the Ocala and Silver Springs public road injunction case and Judge McConathy \$5 as master in the case. The former referred to next meeting, the latter to H. L. Anderson for payment.

Sundry bills, amounting to nearly \$1000, were audited, much of which were court expenses.

An extra road master was granted to Mr. Long's district.

The board accepted the tax assessor's books and certified to the same. The books show Marion's assessment value is \$4,226,724.08.

Hard Sense

It takes keen common sense, added to superior judgment and experience, to be superintendent of a railroad. Such a man never recommends anything that he has not himself subjected to crucial test. A prominent railroad superintendent, living at Savannah, Ga., in which city he was born, says he feels better than he ever did, and he had the worst case of dyspepsia on record. He had no appetite, and the little he ate disagreed with him, causing him to vomit often. He had pains in the head, breast and stomach, but after using three bottles of P. P. P. he felt like a new man. He says that he feels that he could live forever if he could always get P. P. P. His name will be given on application to Lippman Brothers, the proprietors of this great remedy.

Dyspepsia in all its forms is promptly and permanently cured by P. P. P. General Debility and lack of energy give place to vim and ambition through the use of P. P. P. Blood Poison and all its incidental and hereditary ills are eradicated by P. P. P. Rheumatism is conquered and banished by P. P. P., as are also Catarrh and Malaria. P. P. P. is a purely vegetable compound, which has steadily grown in favor for years.
